MEET TIA'S STEEL WHEELS

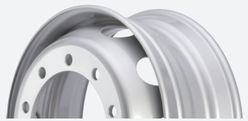

STEEL WHEELS

Combining durability with reliability, our steel wheels provide lasting support for heavy-duty applications on the road even in the most demanding conditions.

Now available in two distinct finishes, Classic and Premium, TIA's steel wheel range gives customers more choice than ever before, with options to suit every budget, aesthetic and application.

Our premium alternative features a triple-layer powder-coated finish that not only enhances visual appeal but dramatically increases resistance to corrosion, withstanding 1,200 hours of salt spray testing, making them TIA's most robust steel wheels to date.

CLASSIC STEEL

Our classic wet-paint finish is a durable matt option that delivers reliable protection.

PREMIUM STEEL

Shiny, powder-coated prestige. Enhance your looks with this OE-grade finish.

PART OF A **BIGGER ENTITY...**

TIA GROUP

TIA Wheels is proud to be part of a larger vision as a member of the TIA Group. Founded in 1999, the TIA Group is a leading conglomerate of brands delivering comprehensive wholesale solutions for the transport industry. While our scale allows us to meet worldwide demand, we never lose sight of the personal touch that sets us apart.

WHO WE ARE

TIA GROUP

With 25 years of industry expertise, the TIA Group proudly supports both the after-market and OEM sectors through our three specialised divisions: tyres, wheels and agricultural.

Our divisions serve a wide spectrum of the industry, from commercial to industrial, collaborating with some of the most respected names in transport.

TIA GROUP | TIA WHEELS | TIA TYRES | TIA AGRI

WHOLESALE SERVICES

We supply tyres directly from our warehouse, letting you order any quantity with fast delivery, competitive pricing, and the support of our expert customer service team. Our **Super Wholesale** service delivers container shipments of budget tyres directly from the factory to your door, with access to discounted warehouse backup stock for added convenience.

OUR DIVISIONS

TIA GROUP

TIA TYRES | TBR & PCR TYRE SPECIALISTS

Since 1999, TIA Tyres has been a leading force in tyre wholesale, delivering a broad range of passenger car, high-performance, 4x4, van, truck and bus tyres.

Our TBR division works closely with brands across every tier of the market from premium names such as Bridgestone and Continental, to mid-range leaders like Yokohama and CEAT, all the way through to dependable budget options including Torque.

TORQUE | CEAT | YOKOHAMA

Our PCR team specialises in the wholesale distribution of car and van tyres, supporting customers from national depots to local garages across the country, focusing on a variety of budget to mid-range brands. Orders ship twice daily, ensuring the quickest possible delivery, straight to your door.

TIA AGRI | CONSTRUCTION & AGRI SPECIALISTS

Launched in 2022, TIA Agri is the newest addition to the TIA Group and has quickly established itself as an industry leader of agricultural and construction tyres.

Our portfolio brings together a diverse mix of leading brands, each offering proven solutions across both agricultural and construction applications.

ALLIANCE | GOODYEAR FARM TIRES | JCB SITEMASTER

Backed by a seasoned team with deep knowledge of the sector, we go beyond simply supplying tyres. We pride ourselves on our hands-on approach, including farm visits and on-site tyre optimisation, ensuring every solution we provide is practical and reliable.
